TO: Historical Commission
FROM: Alexandria Byrd, Associate Planner
DATE: November 22, 2021
SUBJECT: 2022 Work Plan Staff Recommendations

Staff evaluated the previous Historical Commission's Work Plan items and makes the recommendations outlined in the attached HC Draft Work Plan table for 2022 for the Commission's consideration. The objective of this outline is to set 2022 Everett Historical Commission priorities based on available staffing availability and resources. Included in the table are items that staff recommends the Historical Commission prioritize in 2022 (highlighted in green) and items that the Historical Commission has expressed interest in in the past (remaining items on pages 2 and 3).

Staff recommends the Historical Commission reevaluate the priority of each item and add any items, that may not be included in the table, that the Historical Commission sees as a priority and decide on a final 2022 Work Plan.
